

# Keepabl named to global RegTech100 2021

**'The world's most innovative RegTech companies that every leader in the regulatory industry needs to know about in 2021.'**

## The RegTech100

The fourth annual RegTech100 was announced by specialist research firm RegTech Analyst, the pre-eminent provider of data, research and analysis on the global RegTech market. This prestigious list recognizes 'the world's most innovative RegTech companies that every leader in the regulatory industry needs to know about in 2021'.

A panel of analysts and industry experts voted from a longlist of over 1,000 companies produced by RegTech Analyst. The finalists were recognized for **their innovative use of technology to solve a significant industry problem, or to generate efficiency improvements across the compliance function**. As a result, this year's process to identify the 100 RegTech innovation leaders was more competitive than ever.

The REGTECH100 is an annual list of 100 of the world's most innovative RegTech companies. These are the **companies every financial institution needs to know about as they consider and develop their mission-critical RegTech and digital transformation strategies**.

Robert Baugh, CEO of Keepabl says:

*'We're delighted and grateful for this recognition. Being named to this prestigious global RegTech100, judged by such experts, is testament to the team's achievements here at Keepabl.'*

*As well as the tough international competition, I'm particularly proud that the assessment criteria include the industry significance of the problem being solved, our traction and innovation, and our potential impact on the value chain and revenue enhancement.'*

## The Assessment Criteria

A range of factors was considered by the Advisory Board and RegTech Analyst team to make the final selection including:

- **Impact on the problem being solved**
- **Growth, in terms of capital raised, revenue, customer traction**
- **Innovation of technology solution offered**
- **Potential cost savings, efficiency improvement, impact on the value chain and/or revenue enhancements generated for clients**
- **How important is it for a financial institutions to know about the company**

RegTech Analyst's Director of Research, Mariyan Dimitrov said:

*'Banks and other financial institutions need to be aware of the latest RegTech innovation in the market in order to avoid new compliance risks and stay competitive despite new regulations around customer onboarding and remote communication post Covid-19.'*

*The RegTech100 list helps senior management filter through all the vendors in the market by highlighting the leading companies in sectors such as identity verification, risk management, communications monitoring, information security and reporting.'*
